**NOTHING IS TODAY AS IT WAS YESTERDAY.**

An assumption is a hopeful belief that circumstances will play out as you believe they will. As a member of the life sciences industry, however, you understand that the landscape is ever changing and that you're routinely confronted with new rules and regulations, enhanced enforcement, the need for compelling advocacy and an increasingly competitive business environment.

**Assume nothing.**

## FORESIGHT

Our foresight and experience enable us to offer powerful strategies to anticipate and address regulatory and business challenges.

## ASSURANCE

Assurance is the valuable security of knowing that your business objectives are covered under today's legal and regulatory onslaught.

## LEADERSHIP

We are nationally recognized as thought leaders on the intricacies and nuances of the laws, regulations and political issues affecting life sciences.

**WE ADVANCE YOUR BUSINESS** through comprehensive legal, compliance and advocacy services based upon our command of the challenges facing your industry.

Our group provides the assurance you need when conducting business. Due to our depth of experience, you'll be well positioned to realize your business objectives while managing legal risk, in such areas as:

- Complying with regulatory requirements
- Defending product liability suits
- Litigating complex commercial matters
- Managing sales force activities
- Manufacturing and distributing products
- Handling employment issues
- Protecting intellectual property and confidential information
- Building or relocating offices or plants
- Buying or selling business units
- Raising capital

To coordinate all your efforts, **PORZIO LIFE SCIENCES** collaborates with individuals throughout your organization—in-house counsel, business strategists, compliance and regulatory personnel, and governmental affairs specialists. Our comprehensive perspective enables us to firmly grasp and quickly respond to the business and legal issues that daily challenge pharmaceutical, biotech and medical device organizations.

Through our subsidiary, **PORZIO PHARMACEUTICAL SERVICES**, you can access the Porzio Compliance Digest, a constantly updated database of state and federal laws, and other products and services to maintain compliance in your marketing and sales practices.

And through **PORZIO GOVERNMENTAL AFFAIRS** you can leverage a comprehensive range of services in New Jersey regarding legislative advocacy, public policy, political contributions, election law compliance, and “pay-to-play” rules, including our proprietary P2P product.

In the life sciences industry,  
we're there for you with foresight  
to preempt problems and enhance  
your security, and leadership  
that comes only from innovation  
and accomplishment.
